

**FOR IMMEDIATE RELEASE**

## **Indecomm and Con Edison Named Joint Winners for 2018 Brandon Hall Group Excellence in Learning Awards**

Indecomm's joint entry with Con Edison awarded Bronze for Excellence in Learning by the Brandon Hall Group

### **Highlights:**

- Indecomm, together with Con Edison, wins Bronze Award for 'Best Advance in Custom Content' category at 2018 Brandon Hall Group Excellence in Learning Awards
- Award adds to several Brandon Hall awards won over the years
- Scenario-based and gamified solution for effective and engaging learning experience

**Scottsdale, Arizona – September 10, 2018** – Indecomm Global Services, a leading provider of Digital Engineering & Engagement, Digital Learning, and BPaaS & SaaS solutions, won a coveted Brandon Hall Group Bronze Award for Excellence in Learning in the 'Best Advance in Custom Content' category together with Con Edison.

The joint win was announced on August 23, 2018. The winners are listed at <http://www.brandonhall.com/excellenceawards/past-winners.php>

Indecomm developed a customised 30-minute interactive, scenario-based, and gamified solution to address Con Edison's business need of delivering an effective and engaging learning experience to its target audience.

"This 2018 Brandon Hall Group Excellence Award is our third joint win with Con Edison and is a testimony to our commitment to a truly consultative and collaborative approach to building winning solutions that our clients value immensely," said Rohit Nichani, President – North America, Indecomm Global Services. "This award reflects that we build innovative learning solutions that solve real-world business challenges."

"Excellence Award winners personify innovation that drives business results. Our winners embrace the future and embrace change and the challenges that go with it," said Rachel Cooke, Chief Operating Officer of Brandon Hall Group and head of the awards program. The award entries were evaluated by a panel of veteran, independent senior industry experts, Brandon Hall Group analysts and executives based upon the following criteria: fit the need, design of the program, functionality, innovation, and overall measureable benefits.
